

ORDINANCE NO. 67.

An Ordinance Adopting An Official Map of the City of Lodi, and
Establishing the Grades of the Curbs and Gutters of the Streets
in the City of Lodi, California.

The Board of Trustees of the City of **Lodi** do ordain as follows:

Section 1.- A map of the City of Lodi, California, compiled by J.W. McAfee, C.E., City Engineer, Surveyor, and **L.F. Barzellotti, C.E., Draughtsman,** entitled, "Official **Map** of the City of Lodi, San Joaquin County, ~~ex~~ California, Showing Curb and Gutter Grades, Water Mains and Hydrants, Sewer Connections and Boundaries of Fire Districts", and also marked "Filed **Jan. 20th., 1913.** J.W. McMahon, City Clerk", is hereby made and declared to be the Official Map of the City of Lodi **and** the Official Grade Map of said City and a part of this Ordinance, and the grades indicated by the numbers upon said Map are, as hereinafter described, declared to be the official grades of the curbs **and** gutters of the streets of said City of Lodi.

Section 2.- The numbers on said Map marked in red ink represent **in** feet and ~~hundredths~~⁶ of a foot the elevations of the curbs at each intersection. Where but one number in red ink is marked at an intersection it indicates the elevation of each of the corners of such intersection; where numbers in red ink are placed at each of the corners of an intersection each number indicates the elevation of the curb at the corner of the intersection nearest the number.

Section 3.- The numbers on said Map marked **in** green ink indicate **in** feet and ~~hundredths~~⁶ of a foot the elevation of the gutters at each corner of each intersection, each number indicating the elevation of the gutter at the corner nearest to said number. In all instances where no number in green ink is placed at the corners of the intersections the gutter shall be eight inches below the **curb** grades of such corners.

Section 4.- The curb and gutter grades for all points between those hereinbefore fixed shall be the straight line joining the grades and gutters respectively for the adjacent corners as hereinbefore fixed.

Section 5.- The base of levels or elevations marked on said Map for said curb and gutter grades is a level plane distant fifty feet below the center line of a certain aluminum tablet, marked "U.S. Geological Survey. B.M.", on the west wall near the northwest corner of the Van Buskirk Building at the southeast corner of Pine and School Streets in said City of Lodi.

Section 6.- The aforesaid Official Map supersedes all previous maps of said City of Lodi.

Section 7.- This ordinance shall be printed and posted in three public places in the City of Lodi, and shall take effect thirty days after its passage and posting as aforesaid.

I hereby approve and sign the foregoing ordinance this 27th day of January, 1913.

President of the Board of Trustees
of the City of Lodi, California.

I, J. M. McMahon, City Clerk of the City of Lodi, hereby certify that the foregoing ordinance was read and introduced for passage at a regular meeting of the Board of Trustees of the City of Lodi on Jan. 20, 1913, and was thereafter on the 27th day of January, 1913, duly adopted by said Board of Trustees, by the following vote:

Ayes: Trustees Black, Blodgett, Hale, Lawrence and Rich.

Noes: None. Absent: None.

I, B. B. Coleman, City Marshal of the City of Lodi, do hereby certify that on the 29th day of January, 1913, I did post Ordinance No. 67 in three public places in the City of Lodi, to-wit: On the door of the main entrance to the Municipal Building; in the Post Office Building on N. Sacramento St.; and on the flag pole near the corner of Pine and Sacramento Sts.
Subscribed and sworn to before me this 29th day of Jan. 1913.

City Clerk.

City Clerk of the City of Lodi.

City Marshal.
